

MapData::SetDataRange

```
graph LR; A[MapViewer::GlobalDataRange Changed] --> B[MapData::SetDataRange]
```

The diagram consists of two rectangular boxes. The box on the left is light gray with a black border and contains the text 'MapData::SetDataRange'. The box on the right is white with a black border and contains the text 'MapViewer::GlobalDataRange' on the top line and 'Changed' on the bottom line. A dark blue arrow points from the right side of the white box to the left side of the gray box.
