

QAbstractTableModel

```
classDiagram
    class QAbstractTableModel
    class SpectraTableModel
    SpectraTableModel --|> QAbstractTableModel
```

A UML class diagram illustrating inheritance. At the top is a box labeled 'QAbstractTableModel'. Below it is a box labeled 'SpectraTableModel'. A blue arrow points from the 'SpectraTableModel' box up to the 'QAbstractTableModel' box, indicating that 'SpectraTableModel' inherits from 'QAbstractTableModel'.
